

## Question:

Under Freedom of Information regulations I would like to know:-

Any expenses requests, receipts and any other relevant documentation around costs relating to the 4th of November Meeting at 7:30pm at Home Restaurant, Wellington Place, Belfast between Cass and associates, and Mike Nesbitt

## Response:

To clarify, this was a dinner and not a dinner 'meeting' as suggested in your request. There were 8 people in attendance: the Health Minister and 7 guests (4 of whom were non civil servants, one from Belfast Health and Social Care Trust, the Permanent Secretary of the Department of Health and the Chief Medical Officer).

The dinner was to acknowledge pro bono work being taken forward for Department of Health/Belfast Health and Social Care Trust in respect of Gender Services and to thank Dr Cass and her team. The Total Cost of the meal was £387.53, please see attached a copy of the receipt.
