

Question:

I am writing under the FOI act to request copies of any expenses requests, receipts, total cost and any other relevant documentation around costs relating to the recent Cass "review" of Northern Ireland gender services.

Response:

The overall cost of the assessment to the Department was £2455.05. This included accommodation costs, travel expenses and subsistence.

Your request for receipts and other documentation are exempt under the Freedom of Information Act 2000, Section 40 for individual expense items and Section 38 as they could be subject to harassment.
