## Part 1. Policy scoping

### 1.1 Information about the policy

Name of the policy:

NICE Technology Appraisal TA1131 - Obinutuzumab with mycophenolate mofetil for treating lupus nephritis

---

Is this an existing, revised or a new policy?

New

---

What is it trying to achieve? (intended aims/outcomes)

This guidance provides evidence-based recommendations on obinutuzumab (Gazyvaro) with mycophenolate mofetil for treating lupus nephritis in adults.

**Obinutuzumab plus mycophenolate mofetil** can be used, within its marketing authorisation, as an option to treat active class 3 or 4 (with or without class 5) lupus nephritis in adults. It can only be used if the company provides obinutuzumab according to the commercial arrangement.

---

Are there any Section 75 categories which might be expected to benefit from the intended policy?

If so, explain how.

This guidance should benefit clinical suitable adult patients with active class 3 or 4 (with or without class 5) lupus nephritis.

---

Who initiated or wrote the policy?

National Institute for Health and Care Excellence (NICE)

---

Who owns and who implements the policy?

NICE owns the policy. The Department determines whether the policy should be endorsed for Northern Ireland, and, if endorsed, the SPPG / HSC Trusts implement it.

---

## **1.2 Implementation factors**

Are there any factors which could contribute to/detract from the intended aim/outcome of the policy/decision?

No

## **1.3 Main stakeholders affected**

Who are the internal and external stakeholders (actual or potential) that the policy will impact upon? (please delete as appropriate)

staff

service users

other public sector organisations

voluntary/community/trade unions

other, please specify \_\_ Families/Carers\_\_\_\_\_

## **1.4 Other policies with a bearing on this policy**

- what are they? N/A
- who owns them? N/A

## 1.5 Available evidence

What evidence/information (both qualitative and quantitative<sup>1</sup>) have you gathered to inform this policy? Specify details for each of the Section 75 categories.

**In developing this guidance, NICE have assessed its equality impact in scoping, consulting and before issuing the final guideline. This process is designed to mitigate the impact on equality. In addition, DoH locally consult on equality and human rights issues.**

**Religious belief** evidence / information:

Religion will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of their religious belief.

---

**Political Opinion** evidence / information:

Political opinion will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of their political opinion.

---

**Racial Group** evidence / information:

Ethnicity will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of their ethnicity.

---

**Age** evidence / information:

The NICE guidance is aimed at clinically suitable adult patients.

---

---

<sup>1</sup> \* **Qualitative data** – refers to the experiences of individuals related in their own terms, and based on their own experiences and attitudes. Qualitative data is often used to complement quantitative data to determine why policies are successful or unsuccessful and the reasons for this.

**Quantitative data** - refers to numbers (that is, quantities), typically derived from either a population in general or samples of that population. This information is often analysed either using descriptive statistics (which summarise patterns), or inferential statistics (which are used to infer from a sample about the wider population).

**Marital Status** evidence / information:

Marital status will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of their marital status.

---

**Sexual Orientation** evidence / information:

Sexual orientation will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of their sexual orientation.

---

**Men & Women generally** evidence / information:

Gender will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of their gender.

---

**Disability** evidence / information:

Disability will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients irrespective of disability.

---

**Dependants** evidence / information:

Dependant status will have no bearing on the guidance, the NICE guidance is aimed at clinically suitable patients, regardless of whether they have dependants.

---

**1.6 Needs, experiences and priorities**

Taking into account the information referred to above, what are the different needs, experiences and priorities of each of the following categories, in relation to the particular policy/decision?

Specify details of the needs, experiences and priorities for each of the Section 75 categories below:

## **Religious belief**

The NICE guidance relates to and should benefit all clinically suitable patients. There is no evidence that different religions will have any different needs, experiences, priorities or issues in relation to the guidance.

---

## **Political Opinion**

The NICE guidance relates to and should benefit all clinically suitable patients. There is no evidence that different political opinions will have any different needs, experiences, priorities or issues in relation to the guidance.

---

## **Racial Group**

The NICE guidance relates to and should benefit all clinically suitable patients. Though, the NICE appraisal committee noted that lupus nephritis has a higher prevalence in people from Asian, Black African or Black Caribbean groups.

---

## **Age**

The NICE guidance relates to and should benefit all clinically suitable adult patients.

---

## **Marital status**

The NICE guidance relates to and should benefit all clinically suitable patients. There is no evidence that those of different marital status will have any different needs, experiences, priorities or issues in relation to the guidance.

---

## **Sexual orientation**

The NICE guidance relates to and should benefit all clinically suitable patients. There is no evidence that different sexual orientation will have any different needs, experiences, priorities or issues in relation to the guidance.

---

## **Men and Women Generally**

The NICE guidance relates to and should benefit all clinically suitable patients. Though, the NICE appraisal committee noted that lupus nephritis has a higher prevalence in women and that active lupus nephritis is also linked with worse outcomes in pregnancy.

---

## **Disability**

The NICE guidance relates to and should benefit all clinically suitable patients. There is no evidence that people with disabilities will have any different needs, experiences, priorities or issues in relation to the guidance.

---

## **Dependants**

The NICE guidance relates to and should benefit all clinically suitable patients. There is no evidence that those of different dependant status will have any different needs, experiences, priorities or issues in relation to the guidance.

---

## Part 2. Screening questions

### 2.1 What is the likely impact on equality of opportunity for those affected by this policy, for each of the Section 75 equality categories? minor/major/none

What is the level of impact? ~~Minor~~ / ~~Major~~ / None (circle as appropriate)

**2.4 Are there opportunities to better promote good relations between people of different religious belief, political opinion or racial group?**

Detail opportunities of how this policy could better promote good relations for people within each of the Section 75 Categories below:

**Religious Belief** - If Yes, provide details:  
If No, provide reasons: No evidence to support this

**Political Opinion** - If Yes, provide details:  
If No, provide reasons: No evidence to support this

**Racial Group** - If Yes, provide details:  
If No, provide reasons: No evidence to support this

## **2.5 Additional considerations**

### **Multiple identity**

Generally speaking, people can fall into more than one Section 75 category.

**Taking this into consideration, are there any potential impacts of the policy/decision on people with multiple identities?**

*(For example; disabled minority ethnic people; disabled women; young Protestant men; and young lesbians, gay and bisexual people).*

No impact. This guidance will benefit all relevant service users, including those with multiple identities.

**Provide details of data on the impact of the policy on people with multiple identities. Specify relevant Section 75 categories concerned.**

N/A

**2.6 Was the original policy / decision changed in any way to address any adverse impacts identified either through the screening process or from consultation feedback. If so please provide details.**

N/A

### **Part 3. Screening decision**

#### **3.1 Would you summarise the impact of the policy as; No Impact/ Minor Impact/ Major Impact?**

No Impact

#### **3.2 Do you consider that this policy/ decision needs to be subjected to a full equality impact assessment (EQIA)?**

No

#### **3.3 Please explain your reason.**

This guidance will impact on all sections of the community equally.

#### **3.4 Mitigation**

When the public authority concludes that the likely impact is 'minor' and an equality impact assessment is not to be conducted, the public authority may consider mitigation to lessen the severity of any equality impact, or the introduction of an alternative policy to better promote equality of opportunity or good relations.

#### **Can the policy/decision be amended or changed or an alternative policy introduced to better promote equality of opportunity and/or good relations?**

No

#### **If so, give the reasons to support your decision, together with the proposed changes/amendments or alternative policy.**

N/A

### 3.5 Timetabling and prioritising

Factors to be considered in timetabling and prioritising policies for equality impact assessment.

If the policy has been ‘**screened in**’ for equality impact assessment, then please answer the following questions to determine its priority for timetabling the equality impact assessment.

**On a scale of 1-3, with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for equality impact assessment.**

Effect on equality of opportunity and good relations – **Rating** \_\_\_\_ (1-3)

Social need – **Rating** \_\_\_\_ (1-3)

Effect on people’s daily lives – **Rating** \_\_\_\_ (1-3)

Relevance to a public authority’s functions – **Rating** \_\_\_\_ (1-3)

Note: The Total Rating Score should be used to prioritise the policy in rank order with other policies screened in for equality impact assessment. This list of priorities will assist the public authority in timetabling. Details of the Public Authority’s Equality Impact Assessment Timetable should be included in the quarterly Screening Report.

**Is the policy affected by timetables established by other relevant public authorities?**

N/A

**If yes, please provide details.**

## **Part 4. Monitoring**

Monitoring is an important part of policy development and implementation. Through monitoring it is possible to assess the impacts of the policy / decision both beneficial and adverse.

### **4.1 Please detail how you will monitor the effect of the policy / decision?**

To provide further assurance regarding implementation, the Regulation Quality Improvement Authority (RQIA) will extend its support of regional audits to cover some clinically based NICE guidance and will look at a sample of the technology appraisals each year.

### **4.2 What data will you collect in the future in order to monitor the effect of the policy / decision?**

N/A

***Please note:*** - For the purposes of the annual progress report to the Equality Commission you may later be asked about the monitoring you have done in relation to this policy and whether that has identified any Equality issues.

## **Part 5. Disability Duties**

**5.1 Does the policy/decision in any way promote positive attitudes towards disabled people and/or encourage their participation in public life?**

N/A

**5.2 Is there an opportunity to better promote positive attitudes towards disabled people or encourage their participation in public life by making changes to the policy/decision or introducing additional measures? N/A**

N/A

## **Part 6. Human Rights**

### **6.1 Does the policy / decision affects anyone's Human Rights?**

Not applicable to NICE guidance.

### **6.2 If you have identified a likely negative impact who is affected and how?**

*At this stage we would recommend that you consult with your line manager to determine whether to seek legal advice and to refer to Human Rights Guidance to consider:*

- whether there is a law which allows you to interfere with or restrict rights*
- whether this interference or restriction is necessary and proportionate*
- what action would be required to reduce the level of interference or restriction in order to comply with the Human Rights Act (1998).*

N/A

### **6.3 Outline any actions which could be taken to promote or raise awareness of human rights or to ensure compliance with the legislation in relation to the policy/decision.**

N/A
