

Request:

1.a) In each calendar year from 2016 to the date of this request, how many settlement agreements or non-disclosure agreements meeting the above definition were concluded between the authority and current or former members of staff?

1.b) Please provide this information broken down by year. Where the number in a given year falls below five AND you consider that a precise figure risks identifying individuals, please amalgamate adjacent years so that each reported cell contains at least five agreements.

2.a) In each of the same calendar years, what was the total value of financial payments made to employees as part of the agreements described above?

2.b) Please provide this information broken down by year, applying the same approach to aggregation as in Question 1.b) where necessary.

3.a) Does the authority have any policy, guidance, or internal procedure governing the circumstances in which non-disclosure clauses may be included in settlement agreements or other agreements with departing staff? If so, please provide a copy or summary of that policy.

4.a) What is the total headcount of the authority's workforce as of the most recent available date? Please state the date to which this figure relates.
