

Question:

I would like to request a line-by-line income and expenditure outlay for the Department in the last financial year, outlining every spending profile.

Response:

Having reviewed your request, I can confirm that the Department of Health holds the information requested. However, under Section 21(1) of the Freedom of Information Act 2000, information that is reasonably accessible to an applicant is exempt from disclosure. The information you have requested is available on the Department's website and can therefore be accessed without the need for a formal FOI request.

To provide assistance, I have included the link to the Department of Health 2025-26 Annual report and accounts
