Question

"As a first step towards implementing the recs from the MAHI and Urology Services Reports, the Minister convened a Quality and Safety summit on 30 June 2026 which brought together Health and Social Care (HSC) system leaders, including Trust Chief Executives, Chairpersons and Chairs of the newly established Patient Safety and Quality Committees. He laid out his vision on the responsibilities and critical role that HSC organisations, particularly Trusts, hold in strengthening patient safety, culture, governance and accountability"

- quote from Public HSCT Board papers.

FOI request - copy please of briefing /summary papers from DOH to Trusts following the Quality and Safety summit of 30 June 2026

Response

I refer to your Freedom of Information request received on 29 September 2026, in which you requested copies of any briefing or summary papers issued by the Department of Health to Health and Social Care Trusts following the Quality and Safety Summit held on 30 June 2026.

Following a search of our electronic records, I can confirm that two documents falling within the scope of your request were identified. Copies of these documents are attached for your information:

1. Letter from Minister Nesbitt, then Minister of Health, to all Summit attendees and invitees.
2. Summary of the Summit discussions and proposed actions.

No further recorded information relevant to your request was identified.

Date response issued: 27 October 2026

Reference Number: DOH/2026-0253
