

## Part 1. Policy scoping

### 1.1 Information about the policy / decision

1.1.1 What is the name of the policy / decision?

NICE Technology Appraisal TA308 - Rituximab in combination with glucocorticoids for treating anti-neutrophil cytoplasmic antibody-associated vasculitis

1.1.2 Is this an existing, revised or a new policy / decision?

New

1.1.3 What is it trying to achieve? (intended aims/outcomes)

Rituximab taken with glucocorticoids is recommended as a possible treatment for people with anti-neutrophil cytoplasmic antibody-associated vasculitis (that is, severely active granulomatosis with polyangiitis [also known as Wegener's granulomatosis] and microscopic polyangiitis) if:

- more treatment with cyclophosphamide would exceed the maximum amount of cyclophosphamide they can have or
- cyclophosphamide is not suitable for them or they cannot take it or
- they want to have children and treatment with cyclophosphamide may affect their fertility or
- the disease has stayed active or got worse after a course of cyclophosphamide lasting 3–6 months or
- the person has had cancer affecting the lining of the bladder and other parts of the urinary system.

1.1.4 If there are any Section 75 categories which might be expected to benefit from the intended policy, please explain how.

1.1.5 Who initiated or wrote the policy?

National Institute for Health and Care Excellence (NICE)

1.1.6 Who owns and who implements the policy?

NICE owns the policy. The Department determines whether the policy should be endorsed for Northern Ireland, and, if endorsed, the HSCB / HSC Trusts implement it.

### 1.2 Implementation factors

Are there any factors which could contribute to/detract from the intended aim/outcome of the policy/decision? If yes, are they

- Financial
- Legislative
- Other

Please explain:

### 1.3 Main stakeholders affected

Who are the internal and external stakeholders (actual or potential) that the policy will impact upon?

- Staff
- Service users
- Other public sector organisations
- Voluntary/community/trade unions

Other, please specify

Families/Carers

### 1.4 Other policies with a bearing on this policy / decision. If any:

Policy	Owner(s) of the policy

## 1.5 Available evidence

What evidence/information (both qualitative and quantitative\*) have you gathered to inform this policy? Specify details for each of the Section 75 categories.

In developing this guidance, NICE have assessed its equality impact. In addition, DHSSPS locally consult on equality and human rights issues.

<b>Section 75 category</b>	<b>Details of evidence/information</b>
Religious belief	Religion will have no bearing on the guidance
Political opinion	Political opinion will have no bearing on the guidance
Racial group	Ethnicity will have no bearing on the guidance
Age	Age will have no bearing on the guidance
Marital status	Marital status will have no bearing on the guidance
Sexual orientation	Sexual orientation will have no bearing on the guidance
Gender (Men and women generally)	Gender will have no bearing on the guidance
Disability (with or without)	Disability will have no bearing on the guidance
Dependants (with or without)	Dependant status will have no bearing on the guidance

\* Qualitative data – refers to the experiences of individuals related in their own terms, and based on their own experiences and attitudes. Qualitative data is often used to complement quantitative data to determine why policies are

successful or unsuccessful and the reasons for this.

**Quantitative data** - refers to numbers (that is, quantities), typically derived from either a population in general or samples of that population. This information is often analysed either using descriptive statistics (which summarise patterns), or inferential statistics (which are used to infer from a sample about the wider population).

## 1.6 Needs, experiences and priorities

Taking into account the information recorded in 1.1 to 1.5, what are the different needs, experiences and priorities of each of the following categories, in relation to the particular policy/decision? Specify details for each of the Section 75 categories

<b>Section 75 category</b>	<b>Details of needs/experiences/priorities</b>
Religious belief	There is no evidence that different religions will have any different needs, experiences, priorities or issues in relation to the guidance.
Political opinion	There is no evidence that different political opinions will have any different needs, experiences, priorities or issues in relation to the guidance.
Racial group	There is no evidence that different racial groups will have any different needs, experiences, priorities or issues in relation to the guidance.
Age	There is no evidence that different age groups will have any different needs, experiences, priorities or issues in relation to the guidance.
Marital status	There is no evidence that those of different marital status will have any different needs, experiences, priorities or issues in relation to the guidance.
Sexual orientation	There is no evidence that different racial groups will have any different needs, experiences, priorities or issues in relation to the guidance.
Gender (Men and women generally)	There is no evidence that different genders will have any different needs, experiences, priorities or issues in

	relation to the guidance.
Disability (with or without)	There is no evidence that people with disabilities will have any different needs, experiences, priorities or issues in relation to the guidance.
Dependants (with or without)	There is no evidence that those of different dependant status will have any different needs, experiences, priorities or issues in relation to the guidance.

## Part 2. Screening questions

2.1 What is the likely impact on equality of opportunity for those affected by this policy, for each of the Section 75 equality categories? (minor/major/none)

## 2.5 Additional considerations

### Multiple identity

Provide details of data on the impact of the policy on people with multiple identities (e.g. minority ethnic people with a disability, women with a disability, young protestant men, young lesbian, gay or bisexual persons). Specify relevant Section 75 categories concerned.

There will no impact on multiple identity

2.6 Was the original policy / decision changed in any way to address any adverse impacts identified either through the screening process or from consultation feedback. If so please provide details.

### Part 3. Screening decision

3.1 How would you summarise the impact of the policy / decision?

No impact  
Minor impact  
Major impact

X

Consider mitigation (3.4 – 3.5)

3.2 Do you consider that this policy / decision needs to be subjected to a full Equality Impact Assessment (EQIA)?

Yes - screened in  
No - screened out

X

3.3 Please explain your reason for making your decision at 3.2.

This guidance will impact on all sections of the community equally.

## Mitigation

If you have concluded at 3.1 and 3.2 that the likely impact is '**minor**' and an equality impact assessment is not to be conducted, you must consider mitigation (or scope for further mitigation if some is already included as per 2.6) to lessen the severity of any equality impact, or the introduction of an alternative policy to better promote equality of opportunity or good relations.

3.4 Can the policy/decision be amended or changed or an alternative policy introduced to better promote equality of opportunity and/or good relations?

Yes

No

3.5 If you responded "**Yes**", please give the **reasons** to support your decision, together with the proposed changes/amendments or alternative policy.

## Part 4. Monitoring

Monitoring is an important part of policy development and implementation. Through monitoring it is possible to assess the impacts of the policy / decision both beneficial and adverse.

4.1 Please detail how you will monitor the effect of the policy / decision?

To provide further assurance regarding implementation, the Guidelines and Audit Implementation Network (GAIN) will extend its support of regional audits to cover some clinically based NICE guidance and will look at a sample of the technology appraisals each year.

4.2 What data will you collect in the future in order to monitor the effect of the policy / decision?

See above.

**Please note:** - For the purposes of the annual progress report to the Equality Commission you may later be asked about the monitoring you have done in relation to this policy and whether that has identified any Equality issues.

## Part 5. Disability Duties

5.1 Does the policy/decision in any way promote positive attitudes towards disabled people and/or encourage their participation in public life?

No

5.2 Is there an opportunity to better promote positive attitudes towards disabled people or encourage their participation in public life by making changes to the policy/decision or introducing additional measures?

No

## Part 6.Human Rights

6.1 Please complete the table below to indicate whether the policy / decision affects anyone's Human Rights?

ARTICLE	POSITIVE IMPACT	NEGATIVE IMPACT = human right interfered with or restricted	NEUTRAL IMPACT

1 <sup>st</sup> protocol Article 2 – Right of access to education			X

6.2 If you have identified a likely negative impact who is affected and how?

*At this stage we would recommend that you consult with your line manager to determine whether to seek legal advice and to refer to Human Rights Guidance to consider:*

- *whether there is a law which allows you to interfere with or restrict rights*
- *whether this interference or restriction is necessary and proportionate*
- *what action would be required to reduce the level of interference or restriction in order to comply with the Human Rights Act (1998).*

6.3 Outline any actions which could be taken to promote or raise awareness of human rights or to ensure compliance with the legislation in relation to the policy/decision.

## Part 7 - Approval and authorisation

	<b>Name</b>	<b>Grade</b>	<b>Date</b>
Screened completed by	Molly Crawford	EO2	17/04/2014
Approved by <sup>1</sup>	John Maguire	DP	30/04/2014
Forwarded to E&HR Unit <sup>2</sup>			

### Notes:

<sup>1</sup> The Screening Template should be approved by a senior manager responsible for the policy this would normally be at least Grade 7.

<sup>2</sup> When the Equality and Human Rights Unit receive a copy of the final screening it will be placed on the Department's website and will be accessible to the public from that point on. In addition, consultees who elect to receive it, will be issued with a quarterly listing all screenings completed during each three month period.
