

Part 1. Policy scoping

1.1 Information about the policy / decision

1.1.1 What is the name of the policy / decision?

NICE Technology Appraisal TA330 - Sofosbuvir for treating chronic hepatitis C.

1.1.2 Is this an existing, revised or a new policy / decision?

New.

1.1.3 What is it trying to achieve? (intended aims/outcomes)

Sofosbuvir is recommended as an option for treating chronic hepatitis C in adults.

1.1.4 If there are any Section 75 categories which might be expected to benefit from the intended policy, please explain how.

This guidance should benefit those adults who suffer with chronic hepatitis C.

1.1.5 Who initiated or wrote the policy?

National Institute for Health and Care Excellence (NICE)

1.1.6 Who owns and who implements the policy?

NICE owns the policy. The Department determines whether the policy should be endorsed for Northern Ireland, and, if endorsed, the HSCB / HSC Trusts implement it.

1.2 Implementation factors

Are there any factors which could contribute to/detract from the intended aim/outcome of the policy/decision? If yes, are they

Financial

Legislative

Other

Please explain:

1.3 Main stakeholders affected

Who are the internal and external stakeholders (actual or potential) that the policy will impact upon?

| Dependants (with or without) | Dependant status will have no bearing on the guidance |

* Qualitative data – refers to the experiences of individuals related in their own terms, and based on their own experiences and attitudes. Qualitative data is often used to complement quantitative data to determine why policies are

successful or unsuccessful and the reasons for this.

Quantitative data - refers to numbers (that is, quantities), typically derived from either a population in general or samples of that population. This information is often analysed either using descriptive statistics (which summarise patterns), or inferential statistics (which are used to infer from a sample about the wider population).

1.6 Needs, experiences and priorities

Taking into account the information recorded in 1.1 to 1.5, what are the different needs, experiences and priorities of each of the following categories, in relation to the particular policy/decision? Specify details for each of the Section 75 categories

| Section 75 category | Details of needs/experiences/priorities |

2.5 Additional considerations

Multiple identity

Provide details of data on the impact of the policy on people with multiple identities (e.g. minority ethnic people with a disability, women with a disability, young protestant men, young lesbian, gay or bisexual persons). Specify relevant Section 75 categories concerned.

There will no impact on multiple identity

2.6 Was the original policy / decision changed in any way to address any adverse impacts identified either through the screening process or from consultation feedback. If so please provide details.

Part 3. Screening decision

3.1 How would you summarise the impact of the policy / decision?

No impact
Minor impact
Major impact

| |
|---|
| X |
| |
| |

Consider mitigation (3.4 – 3.5)

3.2 Do you consider that this policy / decision needs to be subjected to a full Equality Impact Assessment (EQIA)?

Yes - screened in
No - screened out

| |
|---|
| |
| X |

3.3 Please explain your reason for making your decision at 3.2.

This guidance will impact on all sections of the community equally.

Mitigation

If you have concluded at 3.1 and 3.2 that the likely impact is '**minor**' and an equality impact assessment is not to be conducted, you must consider mitigation (or scope for further mitigation if some is already included as per 2.6) to lessen the severity of any equality impact, or the introduction of an alternative policy to better promote equality of opportunity or good relations.

3.4 Can the policy/decision be amended or changed or an alternative policy introduced to better promote equality of opportunity and/or good relations?

Yes

No

3.5 If you responded "**Yes**", please give the **reasons** to support your decision, together with the proposed changes/amendments or alternative policy.

Part 4. Monitoring

Monitoring is an important part of policy development and implementation. Through monitoring it is possible to assess the impacts of the policy / decision both beneficial and adverse.

4.1 Please detail how you will monitor the effect of the policy / decision?

To provide further assurance regarding implementation, the Guidelines and Audit Implementation Network (GAIN) will extend its support of regional audits to cover some clinically based NICE guidance and will look at a sample of the technology appraisals each year.

4.2 What data will you collect in the future in order to monitor the effect of the policy / decision?

See above.

Please note: - For the purposes of the annual progress report to the Equality Commission you may later be asked about the monitoring you have done in relation to this policy and whether that has identified any Equality issues.

Part 5. Disability Duties

5.1 Does the policy/decision in any way promote positive attitudes towards disabled people and/or encourage their participation in public life?

No

5.2 Is there an opportunity to better promote positive attitudes towards disabled people or encourage their participation in public life by making changes to the policy/decision or introducing additional measures?

No

Part 6.Human Rights

6.1 Please complete the table below to indicate whether the policy / decision affects anyone's Human Rights?

| ARTICLE | POSITIVE IMPACT | NEGATIVE IMPACT = human right interfered with or restricted | NEUTRAL IMPACT |

| 1 st protocol Article 2 – Right of access to education | | | X |

6.2 If you have identified a likely negative impact who is affected and how?

At this stage we would recommend that you consult with your line manager to determine whether to seek legal advice and to refer to Human Rights Guidance to consider:

- *whether there is a law which allows you to interfere with or restrict rights*
- *whether this interference or restriction is necessary and proportionate*
- *what action would be required to reduce the level of interference or restriction in order to comply with the Human Rights Act (1998).*

6.3 Outline any actions which could be taken to promote or raise awareness of human rights or to ensure compliance with the legislation in relation to the policy/decision.

Part 7 - Approval and authorisation

| | Name | Grade | Date |
|-------------------------------------|----------------|--------------|-------------|
| Screened completed by | Molly Crawford | EO2 | 01/05/2015 |
| Approved by ¹ | Billy Baird | DP | 6/5/2015 |
| Forwarded to E&HR Unit ² | | | |

Notes:

¹ The Screening Template should be approved by a senior manager responsible for the policy this would normally be at least Grade 7.

² When the Equality and Human Rights Unit receive a copy of the final screening it will be placed on the Department's website and will be accessible to the public from that point on. In addition, consultees who elect to receive it, will be issued with a quarterly listing all screenings completed during each three month period.
