

Question

Please send me all documentation held by the department relating to underspending on learning disability services in the Western Health Trust area since Health Minister Michelle O'Neill met with the Western Learning Disability Action Group in June 2016. Include all email correspondence, letters, briefing notes, reports and any other documentation relating to this issue.

Response

In response to the above, I have attached a link to the NI Assembly website, which includes our Minister's answers to published Assembly questions on this issue - <http://www.niassembly.gov.uk/assembly-business/questions/>. This information is reasonably accessible; and relevant AQWs and AQOs have also been listed at **point 1** in the below table to assist with your search.

Point 2 in the table, refers to a list of final/approved ministerial correspondence cases; invitations, and submissions on this issue, during the aforementioned time frame. A copy of Minister's final response to each of these has been attached.
