Dear Colleagues

REBUILDING HEALTH AND SOCIAL CARE SERVICES

Following on from my commitment to update you all after the meetings of the Management Board, please find below my update from the meeting held on Wednesday 8 December 2021.

The Board received updates to note on the action plan in relation to easing staffing pressures.

The Board received an update on the Multidisciplinary Team Road map. The update included progress to date, staffing and recruitment information and funding considerations.

The Board received an update from the Regional Prioritisation and Oversight Group. The update included information on priority categories, inpatient and daycase sessions and local prioritisation groups.

I trust that you find this update helpful and I look forward to our continuing discussion on the vitally important work of rebuilding HSC services in the weeks and months ahead.
