Dear Colleagues

REBUILDING HEALTH AND SOCIAL CARE SERVICES

Following on from my commitment to update you all after the meetings of the Management Board, please find below my update from the meeting held on Wednesday 9 June 2021.

The Board received an overview on Intermediate Care, including the 'Hospital at Home' framework and proposed next steps.

The Board received an update paper on the Regional Management of Unscheduled Care. The update included an overview of learning to date, challenges and a proposal to scope out a regional approach to the management of unscheduled care.

I trust that you find this update helpful and I look forward to our continuing discussion on the vitally important work of rebuilding HSC services in the weeks and months ahead.

Robin Swann MLA
Minister of Health
