Dear Colleagues

REBUILDING HEALTH AND SOCIAL CARE SERVICES

Following on from my commitment to update you all after the meetings of the Management Board, please find below my update from the meeting held on Wednesday 19 May 2021.

An Urgent and Emergency Care Review / No More Silos presentation was delivered to the Board highlighting progress over the last seven months.

The Board received an update on the work of the Regional Prioritisation Oversight Group along with recommendations to streamline and enhance the prioritisation process and utilisation of elective capacity.

The Board received an overview of the final draft Elective Care Framework, which sets out immediate and longer term actions and funding requirements needed to tackle waiting lists.

I trust that you find this update helpful and I look forward to our continuing discussion on the vitally important work of rebuilding HSC services in the weeks and months ahead.

Yours sincerely

Robin Swann MLA
Minister of Health
