Dear *Colleagues,*

### **REBUILDING HEALTH AND SOCIAL CARE SERVICES**

Following on from my commitment to update you all after the meetings of the Management Board, please find below my update from the meeting held on Wednesday 28 April 2021.

The Board received an update on Breast Assessment Services and discussed options to help reduce pressures on a regional basis.

The Board also received an overview of the draft Terms of Reference for the Paediatric Rebuilding Project. The aim of this work is to identify priority areas for action which have been impacted by COVID-19.

A Population Screening Programme briefing paper was presented to the Board outlining the current position and ongoing challenges.

I trust that you find this update helpful and I look forward to our continuing discussion on the vitally important work of rebuilding HSC services in the weeks and months ahead.
